JUMP-N-CARRY® PREMIUM 12V JUMP STARTER

CLE JNCPRO1

The JNCPRO1 delivers trademark JNC power and reliability in a package loaded with convenience features for a complete professional jump starting solution. It delivers exceptional cranking power, extended cranking duration, numerous jumps per charge and long service life.

FEATURES:

+ Provides 425 Cranking Amps and 1700 Peak Amps of power from its non-spillable Clore PROFORMER AGM Battery
+ The 46" cable reach enables it to reach the starting points on vehicles of all sizes, while its HotJaw clamps provide efficient power transfer
+ Dual USB outlets provide easy charging of electronic devices
+ A 12VDC outlet is also available for running accessories and enable the unit to be used as a Vehicle Memory Saver (with optional ESA30 cord)

$199.95
